

Grab a meal on-the-go with University Dining Services' new UDS To-Go program! Now, you can use your meal plan for a carry out meal from your favorite residential restaurant. Just bring your U Card to the cashier for breakfast, brunch, lunch or dinner, use a meal swipe, and enjoy your hot meal on the run!

It's Convenient!

Busy day? Never miss a meal again! With the UDS To-Go program, you can stop in with a meal swipe and take five minutes to fill up on your favorite foods while you're on the way to a study session or class.

It's Easy!

Let us take care of the cooking and cleaning - when you're done, bring your rinsed reusable To-Go Container to your closest residential restaurant and we'll replace it with a clean one. Plus, at the end of the year you will even be reimbursed your \$8!

It's Sustainable!

Ditch the styrofoam containers and stick to our BPA-free, dishwasher-safe To-Go Containers! Not only are they reusable, they're recyclable (#5) and even microwave-safe.

UDS *To-Go*

Here's How it Works:

1. Pay \$8 refundable deposit to any residential restaurant greeter (in cash or FlexDine!)
2. Receive To-Go Container
3. Swipe your U card with the cashier
4. Receive receipt (and hang on to it – you need it to leave the residential restaurant!)
5. Fill your To-Go Container with tasty foods!
6. Bring your receipt back to the cashier
7. Eat!
8. Rinse your To-Go Container and return it to one of the seven residential restaurants on campus in Bailey, Middlebrook, Centennial, Comstock, Pioneer, Sanford or 17th Ave Hall.
9. After returning, you have 2 options:
 1. Take another clean To-Go Container
 2. Take a carabiner to exchange for another reusable to-go container when you're ready to carry out again!
10. Return your To-Go Container at the end of the year and get reimbursed \$8 in FlexDine to your account
